- **Actions to stop doing:**

- ❖ Scrum time should be kept at a minimum to reduce wasted time.

- **Actions to start doing:**

- ❖ Have a good schedule of meetings so that everyone can participate.

- **Actions to keep doing:**

- ❖ We should continue working together on Discord, even if it means we are not working on the same part. It keeps everyone's attention focused.
- ❖ We should keep tracking the progress of others to work accordingly and avoid merge conflicts.
- ❖ We should continue our coding sessions, that helps the project to move forward.

- **Work completed/not completed:**

- ❖ Task 1 has been completed.
- ❖ Task 2 has not been completed and is still in progress.
- ❖ Task 3 has been completed.

- **Not completed user stories:**

- ❖ None, user story 1 not fully completed.

- **Work completion rate:**
